Board of Directors Announcement of Resignation

Dear Friends of MVCC,

It is with a heart full of both gratitude and mixed emotions, I share that after seven years of dedicated service, Jesie Holden is resigning from her position as Executive Director at MVCC.

As Executive Director, Jesie has made an incredible impact on our organization and the community we serve. Her ability to bring people together and drive meaningful changes has strengthened the financial health of MVCC, developed strong programs, built an excellent team and board, and deepened trust and engagement with our local community, donors, and partners. We are profoundly grateful for Jesie's dedication, courage, leadership and unwavering passion for people and our mission. While we will miss her, we wholeheartedly wish her much success in her next chapter and all her future endeavors!!!

Over the next few months our board will be conducting a search to find the next Executive Director. During this period our priority is to find the best individual to lead the dedicated MVCC team and to continue to develop successful kids, hopeful families, and active seniors through our robust programs and partnerships.

Thank you for your past support and your consideration. We look to the future with hope and will work diligently to ensure the success of MVCC for many years to come.

Sincerely,
Tammy Valenta
MVCC Board Chair
